## **About Celebrate Milford**

Celebrate Milford, Inc. is Milford's largest one-day family-friendly festival attracting approximately 12,000 visitors each year. As part of its stated mission, Celebrate Milford distributes the net proceeds from the event for scholarships, community youth initiatives, community beautification and support of public education. A public award night is held each year to distribute these awards and to thank our wonderful sponsors.

## **Community Grant Program Eligibility Guidelines**

Celebrate Milford, Inc. considers community grant requests on a semi-annual basis. Funding decisions are based on available resources and the degree to which proposals meet the Celebrate Milford stated mission. While we appreciate the diverse interest in our Community Grant Program, we receive many more proposals than we are able to support each year.

Nonprofit organizations that support community youth initiatives, public education or community beautification within the town of Milford are encouraged to complete an application.

## **Grant Decision-Making Timetable**

Applications are reviewed on a semi-annual basis. Submission deadlines for each cycle are May 1 and November 1. Applicants will be notified as soon as the Celebrate Milford board reaches a decision.
